

Triangle Pre School Newsletter January 2008

Welcome to all our new Children and their families, we hope you enjoy the time your child is with us. Please remember you can always speak to your Childs key worker at the end of any session to see how they are getting on.

We have extended our hours again this term we are now open from 8.30am to 3pm Monday to Friday all additional hours are charged at £3 an hour. We will see how popular the early mornings are and let you know if they will become permanent.

The fees for the morning session 9.15 to 12.15 are increasing to £8.00 per session from the week beginning Monday 18th February; this is the week after half term.

Some of you will already of noticed we have a new member of staff her name is Vicki and she will be working every day. During the afternoon sessions Vicki is the deputy and the key worker for the afternoon children.

Our topic for this term is animals and on Wednesday 6th February we will be having a visit from a vet who will be bringing some animals along for the children to see, they will also have the opportunity to stroke the animals so please return the permission slip we have given out recently as soon as possible so that we know if your child has any allergies

We are still waiting for the work to start on our outside play area, it is a very long and frustrating process, we will let you know when we hear any news.

The children have been cutting up the fruit for their snack for some time now, they all seem to enjoy it along with pouring out their own drinks it gives them a feeling of independence and it is a good confidence booster, don't worry they only use butter knives and are supervised at all times.

Parents and Carers are always welcome to come in and help at any session, you can spend time reading stories to small groups cooking, changing library books or just spending time playing with and interacting with the children why not give it a go you might enjoy it? If you are interested please speak to either Elaine or Nikki

Dates for your diary
